Spotlight on Gary!

Hi all!

In this edition we would like to recognize and thank Gary Hoe for his many years of volunteering and overseeing NMSPE events as Treasurer!

A short bio: Gary is a native of Middlesboro, KY, the only town built in a meteor crater. He joined the USAF out of high school, worked on night vision devices, flight simulators, nukes, ICBMs, and did some recruiting. Retired from that in 1991 as a LtCol. Short stints in Los Alamos and Phoenix; then several years at Sandia Labs, where he worked on ⁹⁹Mo medical isotopes, TA-5 reactor site, National Solar Thermal Test Facility, the remote test ranges, and some bureaucratic stuff. Retired for good in 2011, but still does ad-hoc work from time to time. BSEE from USAF Academy, MSEE from USAF Institute of Technology. Licensed PE, PMP, and CMRP.

Hobbies and fun facts: He's a licensed commercial/instrument pilot and still flies for fun. Serves as a docent at the National Museum of Nuclear Science & History weekly. Fluent in Appalachian, his birth tongue.

Thank you Gary for your many years of service to our country! We look forward to seeing you at future NMSPE events!

Sincerely,
Your ABQ NMSPE Board

Golf Tourney raised over \$3,000 for MathCounts!

On Monday, September 23, 2013, the NMSPE ABQ Chapter held a very successful golf tournament at Tanoan Country Club. Sixteen teams and almost 64 people participated. Congratulations to all the raffle and contest winners! Thank you to all those who joined us! And a special thank you to our Golfing Coordinator, Mr. Greg Larson!

Additional thanks to our generous Sponsors:

Contest and Hole Sponsor: Bohannan Huston

Hole Sponsors: CDM Smith, TYLIN International, Sheehan & Sheenan, HDR Engineering Inc., Smith Engineering, AMEC, Souder, Miller & Associates, Kleinfelder.

Printing Sponsor: Academy Reprographics.

NEWS!

Speakers Needed

If you have **interest in speaking** at a monthly luncheon, or even at the E-Week festivities, contact us (email greenfeld-erkl@cdmsmith.com). ALL of us in the engineering community have something exciting to show, so come on out and present your project/ideas/etc. Also, if you'd like to host a tour of your facility, NMSPE would love to come check it out! Just send us an email! Remember, your lunch is free!

Do you know what this is?

If so, drop us an email and be entered to win a prize.
(HINT: "Quarter" is not the correct answer.)
